Department of Revenue

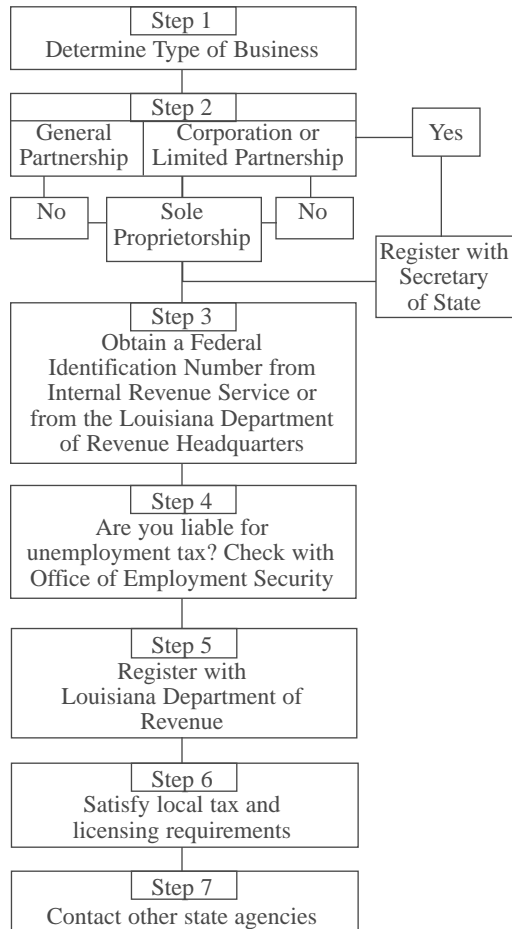

July 2002

I. INTRODUCTION

New businesses operating in Louisiana are required to register with several state and local agencies. The Department of Revenue has designed this brochure to help guide you through this process.

II. FLOW CHART OF REGISTRATION PROCESS

III. STEPS FOR REGISTERING A NEW BUSINESS

Step 1:

Determine your Business Entity Type.

- ☞ Sole Proprietorship
- ☞ General Partnership
- ☞ Limited Partnership
- ☞ Corporation

Step 2:

Register with the Office of the Secretary of State, if applicable. (See chart.)

If you are a sole proprietor, skip this step and go to Step 3. If the business is one of the other three above, contact the Secretary of State at (225) 925-4704, 3851 Essen Lane, Baton Rouge, LA 70809.

Step 3:

Determine if you are required to obtain a Federal Employer Identification Number (FEIN).

You are required to obtain a FEIN if you meet one or more of the following conditions:

- a. You are a sole proprietor with at least one employee
- b. Your business is a partnership
- c. Your business is a corporation
- d. You are a sole proprietor who enters into a partnership or later incorporates the business
- e. Certain nonprofit organizations (churches, clubs, etc.)

For more information and the form (Form SS-4) to obtain the FEIN, contact your local IRS Service Center or the Internal Revenue Service in Memphis, Tennessee (1-800-829-3676), or visit the Louisiana Department of Revenue Headquarters Building.

Step 4:

Determine if you will be liable for unemployment tax.

You must obtain an application form for your Unemployment Insurance Tax Number. This form is often called your status report. Fill this out and return it to the Office of Employment Security. This report will be reviewed to determine if you are liable. If you have any questions about your liability, contact the Employer Status Unit, Louisiana Department of Labor, Office of Employment Security, (225) 342-2944, 1001 N. 23rd Street, P. O. Box 94186, Baton Rouge, LA 70804-9186.

Step 5:

Determine if you will be liable for Louisiana Department of Revenue taxes.

Contact the Taxpayer Services Division at (225) 219-7318 for information and an application. Additional information may also be obtained from any of the regional or district offices listed on the back of this brochure.

Step 6:

Determine if you will be liable for local government taxes.

Regardless of the type of business, one or more licenses may be needed. You must contact your local tax collecting authority to determine which licenses you may need. Telephone numbers are listed in local directories.

Step 7:

Contact other state agencies to determine which licenses or permits apply.

You may need to contact other state agencies and boards. Complete information on permits, registrations, or license requirements may be obtained from the Secretary of State, First Stop Shop, 3851 Essen Lane, Baton Rouge, LA 70809, (225) 922-2675 or 1-800-259-0001.
